

## Minutes of Nansledan Community Association Committee Meeting held on 8th February 2023

**Present:** Janice Swanson, Theresa Ferguson, Annalisa Mather, William Benson, Suzanne Featherstone

**Apologies:** Tatiana Cant

**Duchy Meeting:** Scheduled for 15th February (?) but is half-term week so unsure who will be free to attend, other than Theresa but as its focus is Events Planning this may not matter too much. There's little to report other than that we're working towards Easter and Coronation Events and which spaces we can use and what support, if any, the Duchy can offer. **Action: TF**

**Membership Push:** Leaflets have gone out to all households and a Facebook post is imminent. We need to check if the payment system on the website is functioning. **Action TF, WB**

**Easter Event:** Theresa is writing to Lidl to ask if they donate any eggs. Morrison's is not doing much these days. **Action: TF**

**Coronation Event: Date to be decided.** We'll need a dedication meeting to fully discuss this. Theresa will speak to the businesses to ascertain the best date over the weekend. The Monday is the Big Help Out initiated by the Palace and is a National Event. The Coronation itself is on the Saturday morning and folks will be at home watching on TV so the afternoon is a possibility, and the Sunday is Concert from Windsor Castle, time unknown at present. **Action: TF**

**Both Events:** Theresa will speak to Helen about what involvement the Methodist Hub can offer (though there's a new lady running it now); do we need a music licence? Probably not especially if we go for Open Mic Sessions, Busking or Sproutspoken; Road Closure; Probably yes for H&S reasons. **Action: TF**

**Treasurer's Update:** 22 new subs received by email, William will check if payments received and create spreadsheet of current members. **Action: WB**

**AOB:** Discussion re options for payment of subs: via Paypal on website; possibly Bank Transfer; Cash or cheque. Our website should state that retention of personal details are for NCA use only and will not be passed to third parties.

One person, Priscilla Windsor Brown has offered help and someone needs to contact her to find out in what capacity. She lives in Stret Trystan. **Action: SF or JS?**

FB Valentine's Competition: Theresa initiating but all committee members need access to our Email Account, at present only William can access it. **Action: WB**

**Date of Next Meeting:** Tuesday 14th March, venue tbc.

**Distribution:** Suzanne Featherstone, Theresa Ferguson, Annalisa Mather, William Benson, Tatiana Cant, Janice Swanson
