

Minutes of Nansledan Community Association Committee Meeting held at 5pm on 7th April 2023 at Parc Mengleudh

Present: Suzanne Featherstone (Chair) (SF), Tatiana Cant (TC) and Janice Swanson (JS)

Easter Event

Arrangements were in hand for the Easter Bunny visits on Easter Sunday. Many thanks to Theresa for all the organising and deliveries.

It was agreed that in future years it would be good to explore options for a sustainable Easter in line with the ethos of the site. This might include chocolate making workshops, etc.

Litter Pick

It was agreed to proceed with a litter pick event just before the Coronation celebrations. Litter pickers would be sourced from the Orchard and elsewhere.

Constitution

Members were reminded that the NCA constitution remained to be finalised and were encouraged to reread and submit any proposed amendments.

Coronation Event

A donation of £200 from Wainhomes had been received to support the Coronation event and it was expected that there would be further income. It was noted that the major expense planned was booking music bands. Members decided that they wished instead to create an inclusive event for residents and to spend the funds on setting up a stage and equipment to host open mic activities.

Development of NCA

Discussions had happened in the past regarding establishing closer links with Poundbury and a potential trip to learn lessons. It was agreed to keep this on the agenda and progress this approach.

It would be helpful to assess what kind of groups and support residents would like to see taking place on site, for example while there was quite a bit of provision for younger children, there was less activity available for older residents. It would also be useful to find out the future use of the hub when the new church is built, and the lack of sufficient public venue space was again noted.

When people leave the site, it would be interesting to discover the reasons, and members wished to consider establishing some kind of feedback mechanism to capture this information.

Date of Next Meeting

It was agreed not to meet the following week as previously scheduled. A new meeting date to be arranged.

The meeting closed at 5.50pm.
